### The Uphill Climb of Cyber Security: Where to Begin?

If you attend one cyber security presentation this year, attend this one!

**Tuesday,  
May 22, 2018  
at 7:30 a.m.**

A free, educational presentation by Innovate E-Commerce & Connectivity Communications  
Hosted by DoubleTree by Hilton Hotel Pittsburgh-Cranberry

***Featuring FBI Special Agent Michelle Pirtle, Private Sector Coordinator  
InfraGard DSAC speaking on her expertise on cyber security***

The landscape of cyber threats is vast and ever-changing which is why securing your environment is a continuous uphill climb.

Every business is different but everyone needs to have a security plan. Do you know what you would do if your company was breached? This presentation will educate you on how you would develop a comprehensive security plan.

- How to stay ahead of the "bad guys" regardless of your budget
- How you can protect, detect, respond and recover from a data breach
- What steps are needed to help you tackle the uphill climb of cyber security

At the conclusion of this presentation you will leave with a roadmap that will guide you down your individual road to cyber security.
